

COVENANT SHEET FOR THE 2010 ASP MISSION TRIP

Church/Group Name

City

State

A covenant is a promise made between two parties. God took Abraham outside one night and showed him the stars. God promised that Abraham’s descendants would be as many as those stars and that from those descendants would come a Savior. We now know that the promise was kept in the Savior of the world, Jesus Christ.

ASP covenants to our groups that we will do everything we can to facilitate a meaningful service opportunity. We will provide a center facility and staff; we will fulfill all the details to make a significant mission experience for our volunteers. ASP is a “safe sanctuaries” organization, meaning that measures and policies are established to keep our youth and their leaders safe during your experience.

ASP asks volunteers to enter into a covenant with ASP by abiding by the “*Expectations, Rules, and Regulations*” that make communal living and working successful. These rules are not meant to be punitive but to enhance the experience. ASP also asks that volunteers abide by additional rules that may be given at their particular center.

ASP expects each volunteer to sign this covenant before participating. Please read the “*Expectations, Rules, and Regulations*” of ASP and the *Safety Manual* before signing.
