Written by Jessica Schultz

Leader: Around the world, the people of God gather to worship and honor the Lord in different languages, cultures, and places.

Congregation: Let us shout for joy and give thanks.

Leader: Lord, reach out to your children of God who are waiting in the darkness of poverty and sickness.

Congregation: Be here and everywhere O Lord.

Leader: God continues to call us from the corners of the world, asking for our time, love, and gifts for God's children who need them.

Congregation: God, use us as instruments so we may be lights around the world and share our many gifts you have given us.

**Our Father who art in heaven hallowed be thy name,
thy kingdom come, thy will be done, on earth as it is in heaven.
Give us this day our daily bread. And forgive us our trespasses,

Parish Nurse Notes
Together, we can fight the flu.

This Sunday marks the beginning of the annual observance of National Influenza Vaccination Week (NIVW). This flu season has presented our community with a unique challenge to fight a new type of influenza -- the 2009 H1N1 influenza virus.

The H1N1 flu is a serious disease. The Centers for Disease Control and Prevention estimates that between mid-April and November 14, 2009, 47 million people in the United States were infected with the 2009 H1N1 flu, more than 200,000 people were hospitalized, and over 9,800 people died.

Influenza is unpredictable and we do not know the likelihood of a future wave of H1N1 flu, but we do know that vaccination is the most important step in protecting against influenza. Protect yourself, your family and your community by getting vaccinated. Visit www.flu.gov to find the closest vaccination clinic and learn more facts about the H1N1 flu. Show your love to your family and our community by keeping yourself and those close to you healthy; get yourself and your family vaccinated.
