

Christ United Methodist Church Mission and Ministry 2024 Narrative Budget

We are the body of Christ called to mission and ministry in Rochester and beyond. We partner with God to be grace in the city through weekly worship experiences, programs for children and teens, Saturday Noon Meals, the Thrift on Fifth thrift store, small groups and studies for adults, Thrive Childcare and Resource Center, and so much more.

This narrative budget highlights how our shared gifts provide resources for funding our mission and ministry. Please be in prayer about how sharing your time, talents, and financial gifts can help us share the love of God, grow together, and make a difference in people's lives.
