God of Wonders

~ Third Day

Lord of all creation
Of water earth and sky
The heavens are Your tabernacle
Glory to the Lord on high

God of wonders beyond our galaxy
You are holy holy
The universe declares Your majesty
You are holy holy
Lord of heaven and earth
Lord of heaven and earth

Early in the morning
I will celebrate the light
When I stumble in the darkness
I will call Your name by night

God of wonders beyond our galaxy
You are holy holy
The universe declares Your majesty
You are holy holy
Lord of heaven and earth
Lord of heaven and earth

Hallelujah (to the Lord of heaven and earth)
Hallelujah (to the Lord of heaven and earth)
Hallelujah (to the Lord of heaven and earth)
Hallelujah (to the Lord of heaven and earth)

God of wonders beyond our galaxy
You are holy holy
The universe declares Your majesty
You are holy holy
Lord of heaven and earth
Lord of heaven and earth

The Earth Is Yours

~ Gungor

Your voice it thunders
The oaks start twisting
The forest sounds with cedars breaking
The waters see You

And start their writhing
From the depths a song is rising

Now it's rising from the ground

Holy holy holy holy Lord
The earth is Yours and singing
Holy holy holy holy Lord
The earth is Yours
The earth is Yours

Your voice it thunders
The ground is shaking
The mighty mountains now are trembling
Creation sees You

And starts composing
The fields and trees they start rejoicing

And now it's rising from the ground

Now it's rising from the ground

Hear us crying out
Hear us crying out

Holy holy holy holy Lord
The earth is Yours and singing
Holy holy holy holy Lord
The earth is Yours and singing
Holy holy holy holy Lord

The earth is Yours
The earth is Yours
The earth is Yours

What a Wonderful World

~ Louis Armstrong

I see trees so green, red roses too
I see them bloom for me and you.
And I think to myself what a wonderful world.

I see skies so blue and clouds so white.
The bright blessed day, the dark sacred night.
And I think to myself what a wonderful world.

The colors of the rainbow so pretty in the sky
Are also on the faces of people going by.
I see friends shaking hands saying how do you do.
They're really saying I love you.

I hear babies crying, I watch them grow.
They'll learn much more than I'll ever know.
And I think to myself what a wonderful world.

Yes I think to myself what a wonderful world
Yes I think to myself what a wonderful world.

Hold Us Together

~ Matt Maher

It don't have a job, don't pay your bills
Won't buy you a home in Beverly Hills
Won't fix your life in five easy steps
Ain't the law of the land or the government
But it's all you need

And love will hold us together
Make us a shelter to weather the storm
And I'll be my brother's keeper
So the whole world will know
that we're not alone

It's waiting for you knocking at your door
In the moment of truth
when your heart hits the floor
And you're on your knees

And love will hold us together
Make us a shelter to weather the storm
And I'll be my brother's keeper
So the whole world will know
that we're not alone

This is the first day of the rest of your life
This is the first day of the rest of your life
'Cause even in the dark,
you can still see the light
It's gonna be alright, it's gonna be alright

This is the first day of the rest of your life
This is the first day of the rest of your life
'Cause even in the dark,
you can still see the light
It's gonna be alright, it's gonna be alright

Love will hold us together
Make us a shelter to weather the storm
And I'll be my brother's keeper
So the whole world will know
that we're not alone
