Our Money Tells a Story

In today's Bible lesson, Jesus is asked about a coin with a picture of Caesar on it. Who are these women on the coins in this picture? Do we owe them taxes? This week look at real coins with a grown up. Do they have pictures on them? What stories do they tell?

What's a "Board of Stewardship"?

A Board of Stewardship is a group of people that helps encourage people to give their time, talent and treasure to help the church.

My Talents are

Share the Love of God with Words

Our children are encouraged in Sunday School to identify one good thing they do as an offering to God for the week.

Our preacher this week is Eric Vanderheiden. Eric works at Mayo and spends time with his family. When Pastor Jenny asked Eric if he would preach today, he said YES!

It can be scary to stand in front of people and talk about God when you are not a professional pastor. Eric loves God and trusts that God will give him the right words-- when he is working at Mayo, caring for his family, or preaching in worship!
