When we witness we tell the story of how God and our church are part of our lives. Who will you call today and tell them about this worship service?

Would you want to make a craft project with your feet? Why or why not?
(If you make one, send a picture to Oliver at church!)

Our Children and Youth ministries are taking a pause until January.

Youth Group resumes January 2 from 4:30-6:30 and CU Wednesday activities (bells, music, confirmation, Club 6-7 and stay and play) resume January 6!

We are in the season of Christmas, a time to celebrate the birth of Christ and the ways he is at work in our lives. The Christmas season lasts from December 25 (Christmas Day) to January 6 (Epiphany.) The Christ candle burns.

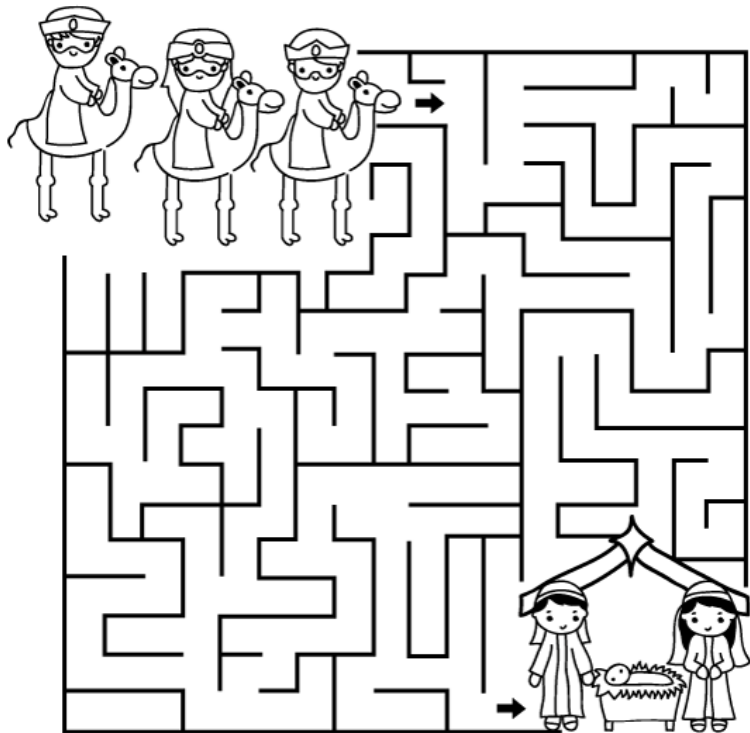

Living our FAITH

PRAY READ WORSHIP LOVE

Today we renew our promises to be faithful to God.

Our promises to the church include supporting the church by our prayers, our presence, our service, our gifts, and our witness.

Many United Methodist congregations have a “Wesleyan Covenant Renewal” service right before New Year’s. Why do you think this is?

The Magi are on their way to see Jesus. Next week in worship we will celebrate their arrival!

John Wesley started the Methodist church.
