

Did you make a map of your neighborhood last week? If not there is still plenty of time.

Add the names of your neighbors— if you don't know them, how could your family make an effort to meet them?

What do you know about your neighbors just by looking at their house? Do they ride bikes? Have kids? Enjoy gardening? Cook food that smells really great? Do they have a lot of visitors?

As a family start talking about the ways you can be a good neighbor— not abstractly, but specifically, with the neighbors who live closest to you.

During the church season of Lent we will learn together how we can love God, ourselves and especially our neighbors!

We believe that God hopes and works for a world where all shall be included in the feast of life, and that in Christ we see how costly it is to bring that world about.

Each week during Lent, part of worship is sharing an "Affirmation of Faith." We say an affirmation of faith to remind us, God, and each other what we believe and how it shapes what we do.

This is a part of today's Affirmation of Faith from the Iona community. What would you put in your own affirmation of faith?

Is one of the affirmations on this page a good one for you to say each morning this week? Write it in the box, and tape it to your bathroom mirror.
