

# Christ United Methodist

Children and Youth Weekly  
July 17, 2022

During the summer, we are learning about church music. Each week we will sing a favorite song and learn what it can teach us.

## Micah 6:8

The LORD has told you, O **mortal**, what is good; and what does the Lord require of you but to do **justice**, and to love kindness, and to **walk humbly** with your God?

This is another way of saying "human"

Justice often refers to fairness and working for what is right

being humble means not showing off or expecting to be praised for your work

- Singing in a round requires us to work together and listen to each other as we sing.
- Row, row, row your boat is a very common round

*How will you be kind this week?*

# Learn More

Our Rochester public library has some great lists to learn about kindness, justice and mercy. Check out this list to get started!

On ASP the team used many tools.  
Can you name some?

What is a tool safety rule?

How many hammers do you see?

What would you use to make a hole?

What would you need to work in the dark? Is there one in this picture?

Did you know? Different kinds of hammers have different jobs.
