DO GOODERS

EARNING, SAVING, GIVING AND DOING

We are in our annual season of stewardship in the church. Stewardship is a word kids don't hear very often. When we talk about stewardship in the church, we are asking questions like

- How might God want me to spend my money?
- How can I give some time to God?
- How am I a care-taker (or steward) of what I have?
- How am I a steward of the planet?

how are these people stewards?

This is NOT how the parable of the talents works!

PARABLE OF THE TALENTS

Jesus tells a story where a man gives coins to three servants. One buries the money while two make the money grow, Jesus tells this story to encourage people to use what they have to make the world more like God's Kingdom.

I can use the gifts and talents God has given me.

make sure you give them faces!!!
