IDEAS TO CELEBRATE CHRISTMAS IN YOUR HOME

Sing Christmas carols as a family; talk about what part of the Christmas story the carol retells.

Play "Secret Magi" for the 12 days of Christmas. Decorate a star, or find a star ornament. One person starts with the star. They are the secret Magi. They do a secret good deed for another family member and then hides the star for that family member to find. This is the new secret magi.

It's not too late to send handmade cards to people who need some hope, peace, joy and love in their lives!

Google Christmas traditions from around the world and try some with your family!
