

It worked for us!

10 things we've done at Christ UMC

Switch to LED bulbs

Have a training with Rochester's forestry division to learn more about trees and how to care for them

Plant a pollinator garden

Create a EarthKeeper group to hold us accountable

Plant a rain garden

Use QR codes instead of handouts

Have a training on writing advocacy letters

Partner with EarthFest and Minnesota Interfaith Power and Light

Host a presentation on solar energy

Keep trying new things to care for creation!
