CELEBRATING EASTER

The Easter morning story can be found beginning on page 482 of the Spark Children's Bible. Each of the four Gospels, Matthew, Mark, Luke and John each tell a slightly different version of the same story. Our prayers and hymns today each tell part of the story.

Did you know you are also part of telling the story? When you celebrate Easter in worship, you are changed! Easter reminds us that God is always doing new and surprising things. It reminds us that death is not the end. It helps us see new life all around us. It assures us that Jesus is always with us.
