

Programs supported by the CUMC Foundation include, but is not limited to the following areas:

- Mission work, United States and abroad
- Music programs and concerts, vocal and instrumental
- Educational programs, adult and youth
- Youth summer camps, and many more!

Funding for these various missions is only possible with a continuous influx of contributions. Contributions are most flexible in use when donated to the “unrestricted” fund within the Foundation.

Thank you for considering a gift to the CUMC Foundation. Whether your donation is through planned estate giving, life insurance, direct cash contributions to the Foundation, or some other method, the Foundation officers manage and disburse these funds with the utmost consideration of value to the missions of our church and its members. Your contributions help create the opportunity for the foundation to continue its ministry throughout the ages.
