Color the puzzle, cut it out and mail it to someone special and tell them about how God knows us and loves us!

HOW BIG IS GOD?

Today's scripture lesson reminds us of the vastness of God's knowledge and God's love. You might talk with others about what you remember about being a baby (not much, though maybe you've been told some stories.) God remembers every moment of your life!

Try telling a story about something that happened last week. Now ask someone else who was there to tell you the story of that thing. Are your stories the same? Do you remember different things? God remembers it all.

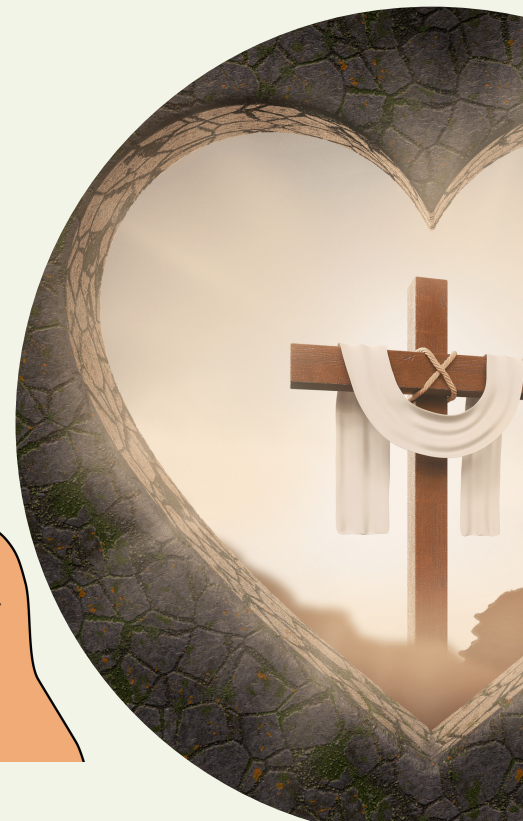

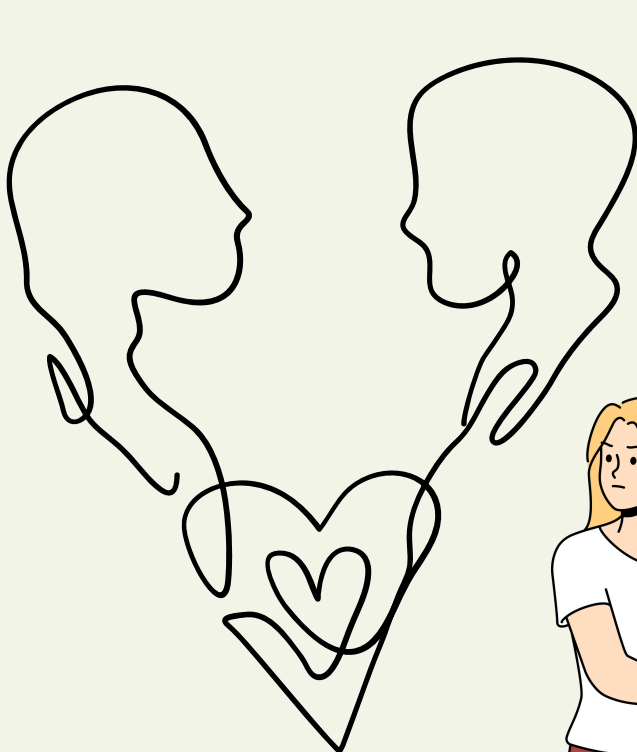

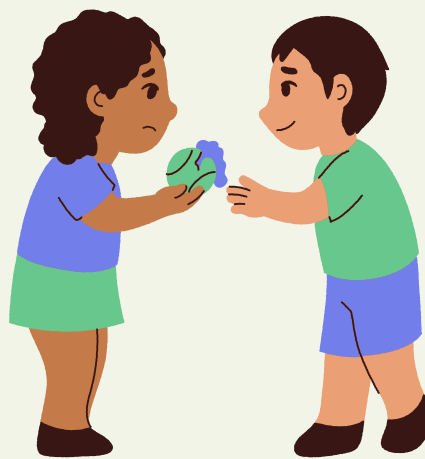

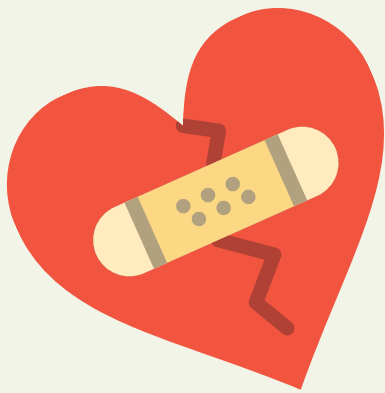

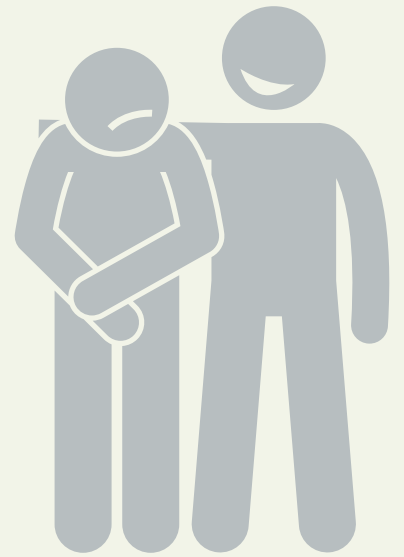

God...
knows us,
is with us,
made us,
hears us,
leads us.

Psalm 139

God loves every part of me!

HOW ARE YOU NOTICING GOD RIGHT NOW?

This Lenten season, we are learning more about forgiveness as a church. How do these pictures show forgiveness?

WHAT DO YOU THINK FORGIVENESS LOOKS LIKE?
