

STRANGE STORIES FROM THE BIBLE

Weekly Update for Children and Families

Christ United Methodist Church

July 30, 2023

How many names does God have?

Some times people use different names for God to help them talk or pray to God.

This week choose a new name for God-- from this picture, or make up your own.

What is it like to use this new name?

What does it help teach you about God?

Moses and talking to God

Today's strange story is about Moses meeting with God. Moses would like to see God's face. God has appeared to Moses in many ways, including in a burning bush and pillar of smoke. Listen carefully to the story and circle the right answer.

Moses gets to see God's face.

Moses does not see God's face.

Learning from Creation

This week 6 families from our church will go to the top of Minnesota and spend four nights on the edge of the Boundary Waters Canoe Area Wilderness. Many more families will be camping at Whitewater State Park in a few weeks. The August New Spirt has an activity for everyone to do as a way of connecting with creation.

Your challenge this week is to visit a park in your neighborhood and count how many different kinds of plants and animals you can find in five minutes. How are they the same? How are they different?
