What do

## VOICES IN THE NEWS AND ON THE PLAYGROUND

Today's scripture passage mentions a whole bunch of scary things. Luke 21:10-11 names a few: "Then Jesus said to them, "Nations and kingdoms will fight against each other. There will be great earthquakes and wide-scale food shortages and epidemics. There will also be terrifying sights and great signs in the sky." We choose each day what we pay attention to: what news programs are on when we drive to school, what youtube videos we stream, what friends we allow into the house. With all the competing and scary message out there, how do we discern what God is saying? What God wants us to do?
