EarthKeepers Listening Session Tuesday November 16, 4:30-6:15pm The EarthKeepers at Christ UMC are working on their plans for 2022 and they want your input! What do you care about in the realm of environmental justice? How can your church support you as you work at being a steward of our environment? Classes or trainings? All people are welcome to join us for our planning retreat. Thrift on Fifth Sidewalk Sales - Join us for Thrift on Fifth Sidewalk sales on the 1st and 3rd Saturdays of November from 9am-Noon. We are appreciative of all the amazing donations we have been getting. We are especially looking for warm coats and jackets for all ages and for cold weather clothing in child and teen sizes. We will move inside during inclement weather.

Green Tip of the Week from EarthKeepers: A scientist steeped in the data of climate change grieved over the lack of action at the policy level. In the face of something big she couldn't change, she committed to walking her children to school two days a week and to riding her bike to work. She then put solar panels on her roof. She chose to act where she could. "Little" things add up.
