Immigrant by Nayyarh Waheed

you broke the ocean in

half to be here

only to meet nothing that wants you.

With open hearts, open minds and open doors, we welcome people of all races, nationalities, theologies and abilities. We welcome people of all sexual orientations and gender identities. We offer a safe and compassionate place to reconcile faith, identity, hope, understanding and mutual respect.

We welcome you and name the sacred power of the Wahpeton people on whose land we stand.
